

**Section
5****Themed Activities**

This section contains ideas for activities to help you teach projects and lessons creatively. The ideas are based outside the classroom, and this includes the other parts of the school building, the school grounds and the local area.

The ideas are organised by the following themes:

Theme

1**Outdoor stories and poems**

Theme

6**Energy and water**

Theme

2**Outdoor maths**

Theme

7**Using our senses**

Theme

3**Weather and seasons**

Theme

8**Toys and games**

Theme

4**Festivals and celebrations**

Theme

9**Light and sound**

Theme

5**Walks and trails**

Theme

10**Journeys and transport**

Each theme contains ten activity ideas which can be adapted for the context of your school and the ages and abilities of the children.
